Madison Day Surgery Turns One

Madison Day Surgery (MDS) is proud to celebrate its 1st anniversary since its inception on July 7 2017. Madison Day Surgery is committed to serving the Hornsby community with the highest standard of healthcare excellence. Madison Day Surgery would like to thank its patients, surgeons, staff, providers and contractors for their continued dedication, support and contributions.

We look forward to many more years servicing our community.

PresMed Attends Annual WAEH Conference

In June, Roger Cronin, CEO and Feng Neal, CFO travelled to the USA to partake in the 12th Annual World Association of Eye Hospitals Conference. The World Association of Eye Hospitals Annual Conference was held in Ann Arbor, Michigan at the Kellogg Eye Centre, attended by leaders in eye hospitals from all over the world. Attendees then visited Johns Hopkins Wilmer Eye Institute, Baltimore and The Bascom Palmer Eye Institute in Miami. Lasting from the 6th-12th of June, the conference and hospital visits covered a range of topics in the developments of ophthalmic care.

With nearly 100 attendees, from 20 different countries, the conference was an invaluable opportunity for our management team to bring fresh ideas on ophthalmic care back to Australia. [Click here](#) to read more.

MDS Reaches 2000 Admissions

Our 2000th patient since opening was treated on 22 August. Staff at the centre presented, Mr Cridland, treated on the day with chocolates to mark the milestone. Since the surgery opened one short year ago, it has strived to enhance and improve patients' lives and the continuing healthcare standards in the

Hornsby community. From all of the Madison Day Surgery Management and Staff, we thank all of our patients for being a part of MDS reaching this fantastic achievement.
